About the Centre

Welcome to Newton Street Childcare Centre. Newton Street is owned and operated by Vicky and Wayne Robertson who are passionate about providing quality care and education within a secure and caring environment.

Newton Street Childcare is committed to ensuring all staff are equipped with up to date knowledge of current learning and development theories in-regards to preschool children. We provide a fun and stimulating learning environment with three separate age groups. Our licence allows us to accept up to 53 children aged from new-born to 5 years, (12 under two year olds).

We have high quality staff to child ratios.

Objectives

- To offer a quality child-centred education and care environment based on our Philosophy.
- To have sound and reciprocal partnerships between teachers and parents.
- To have an environment that is age appropriate and challenging
- To encourage the holistic development of your child, focusing on contribution, well-being, communication, exploration and belonging.
- To recognise and promote your child's natural desire and ability to learn whilst respecting their right to work at their own pace.
- To operate within the guidelines set by the Ministry of Education.

Our Curriculum Programme

Our curriculum programme is based on The Early Childhood Curriculum - *Te Whaariki*. Our teachers use planning to develop the individual and group strengths, interests and needs of each child. We believe children's experiences during the early years significantly shape and determine the ongoing development of knowledge, the successful acquisition of skills and particularly the forming of attitudes and subsequent dispositions.

Early childhood education begins the process of passing on the knowledge, attitudes and values of our society to our children, so that they have skills and confidence to take an active part in the community.

The early years is the time when a child learns the basis of all he/she will have to know to function well later in life. It is the time when foundations are laid, and children need positive guidance and assistance to develop healthy emotional, mental, social, intellectual, cognitive, creative and physical skills.

We believe that parent/teacher communication is an essential ingredient in meeting the needs of your child and therefore welcome and encourage a close partnership. Your input is encouraged, and your child's portfolio is available to view at any time. We also provide a readiness to school programme for four-year olds and over in order to prepare them with their transition to Primary School.

General Information

A new learning environment can be fun and exciting to some children and at the same time frightening to others.

You are welcome to visit as often as you like before starting and we recommend minimum one-hour visit before your child attends for a whole session. However, the decision is yours as you know your child the best.

Before your child starts, take time to talk to your child about what it will be like at preschool. Prepare your child so that they are aware that you will be leaving and that you will be back to pick them up at the end of the day/session. When you bring your child on the first day, the staff will make the transition as smooth as possible. If you need longer to settle your child you are welcome to stay, but once you make the decision to go, please do so as quickly as possible.

An unhappy child will often settle quickly after the parent has left. Please feel free to ring and check how your child is settling during the day/session.

Clothing

Please make sure that all your child's clothing is clearly MARKED with his or her name. *Please provide minimum 3 changes of clothing* for your child in case of weather changes, water play or accidents. Gumboots are useful in winter and a sun hat. We do supply sunblock however if your child has allergies or is sensitive to normal sunblock you will be asked to provide your own. If the children do not wear a hat on sunny days, they are required to stay indoors during playtime.

Nappies

For children still wearing nappies, parents are asked to provide a bag of nappies when your child starts Newton Street. These items will be labelled with your child's name and kept in the nappy changing area. The teachers will advise parents when new stock is required. A minimum of 4 nappies per day are required.

Milk

Parents must supply milk bottles and formula as required for your child.

Collecting your child

A child becomes very distressed if a parent is late collecting them as they observe all the other children going home and become unsettled. Please do your best to be on time as we are governed by staff child ratio's.

Please note that your child will not be allowed to leave the preschool with anyone other than the designated person listed on the enrolment form. If someone other than these persons are collecting your child, please advise the teachers on duty and write the person's name on the attendance register.

Drop off or Pick up times outside of booked hours will be by agreement ONLY

If you are delayed, please telephone us. A fee will be charged for consistent early arrivals and late pick-ups (\$15.00 per 15 min).

Newton Street Childcare Hours

Information

We issue a regular newsletter to all parents to keep you up to date with happenings around the classroom and centre.

Admission Requirements

Admission is at the discretion of the owner/centre manager.

We offer **20 funded hours** - subject to the following conditions:

- This offer is available to children aged three to five years only. (This allows children to attend pre-school and their first 20 hours are paid by the Government.)
- Our childcare policy provides that to qualify, hours must be agreed with Management, but must be either in the morning (8am to 12 noon) or in the afternoon (1pm to 5pm) for fully funded hours to apply.
-

- Children attending full time will receive their first 20 hours funded and the remaining hours at a set rate.
- Newton Street Childcare does have a public website, public Facebook page and provides a parent portal through our Info-care system. Parents are required to sign a permission slip on the enrolment form before starting date.
- When you join Newton Street Childcare, you sign for your child to attend agreed days. These are the days for which you have to pay, regardless of the days that you *actually* attend. For example, if you book for five full days and only attend 4 days – you are still liable to pay for five full days.
- The fee charged is in direct relation to the days booked and not to days attended.
- **Attendance Hours & Fees may only be changed when notice is given to Newton Street Childcare and a *change of session form* is completed and signed by both parent and management. Changes in hours will be dependent on space available.**

Fees:

- A ***non-refundable \$20.00 enrolment application fee*** is payable on enrolment, ***and the first week's fees are payable in advance of the start date.*** Your completed forms for your child to attend Newton Street Childcare will only be processed if these fees have been paid in full.
- Full fees are payable for all enrolled hours which fall on statutory, Christmas concert/party days, childcare outing days, days not attended due to family holidays, days your child is absent due to sickness/doctor's appointments or school interviews or any other reason.
- All fees are required to be paid by Automatic Payment paid weekly in advance. A detailed invoice will be issued every week.
- Overdue fees may attract a 5% penalty.
- If you wish to alter your child's enrolment, you must complete and sign an attestation/amendment form at least one week before the changes. This will be considered, subject to availability of space, and may require placing on the waiting list.
- A late pick-up fee will be charged for consistent late collection of your child (outside booked hours, as per schedule): \$15.00 per 15 minutes.
- Management must receive **2 weeks notice** if you wish to **withdraw** your child from Newton Street Childcare.
- Any outstanding amounts owing must be settled before the last day. If not settled, then it will be passed on to a debt collection agency. All cost of debt recovery will be added to your account.
- 10% - Sibling discount – will apply only to the older sibling's fee & applies only to full time attending children (4 to 5 days a week and at least 6 hours per day); Discount applies only if payments are up to date and on AP. Discounts are calculated on fees after the deduction of other funding such as WINZ.

Absences

Please let us know if your child is absent through illness or any other reason, as this information is important for our register and the safety of your child. **Please note that absence for more than 15 consecutive days will result in a termination of Ministry of Education funding and therefore a termination of your child's placement at the school.** Please discuss any expected absences of more than 15 days with the Centre Manager/Owner in order to arrange alternative funding or agree on alternatives for future placement.

Child-care subsidy

There is a subsidy available from Work and Income (WINZ) to help with fees (if you qualify). Forms are available at your local WINZ office. This subsidy usually only pays PART of the fees and you, the parent, remain responsible for the remainder of the fees.

Please note that *you* remain responsible for all fees until payments are received from the Ministry of Education or WINZ and it is YOUR RESPONSIBILITY to make sure your documentation is regularly updated.

Emergencies

Minor accidents do happen, and these receive prompt and careful attention by qualified first aid staff. In the case of illness or accident, the parent will be notified immediately, and arrangements made for your child to go home or to the emergency department of A & E. Newton Street Childcare will not be held responsibility or liable for any medical costs.

Children with diarrhoea, vomiting, fever and /or an undiagnosed skin rash shall only remain at the centre for the time it takes for them to be collected by their parent/caregiver. As a general rule, if a child experiences any of the above-mentioned symptoms the Centre Policy requires that they do not attend the centre for at least 48 hours.

The teacher will complete an accident/illness report and parents are required to sign this report and receive a copy.

Parents are reminded of the importance of letting the preschool know about any phone number changes so that they may be contacted easily in case of emergency.

Medication

If your child requires any medication while they are at preschool, please notify a teacher and you will be required to complete an authorisation document signed by yourself and the teacher. Medication may NOT be administered without a doctor's prescription and parent's authorisation.

Attendance

A daily attendance register is kept at the entrance to the preschool and must be signed with the actual time recorded when you bring your child to school and signed again with the actual time recorded when you collect your child at the end of the session.

We look forward to welcoming you and your family to our lovely Centre. Newton Street Childcare on 575 8727 should you require any further information. Please feel free to speak to any of our teachers to discuss our programme in further detail.
